CHRISTIAN RECOVERY CENTERS INC

Ministry Report 2023

Overview

Christian Recovery Centers, Inc (CRCI) was established in 2012 to provide residential Substance Use Disorder Recovery Services for men at no cost. Initially offering a 90-day residential program based on a peer-mentored 12-step process, CRCI now provides up to 24 months of care with 160 recovery beds for both men and women.

OUR MISSION

"Providing the spiritual and educational tools necessary for a long-term recovery from the illness of addiction and the beginning of a successful life."

CORE VALUES

Community

We thrive by interacting with others. Healthy connections create a new sense of community, decreasing our dependence on outside sources that have proven to be detrimental in the past.

Compassion

Meeting others where they are and sharing with them the love of Jesus - His mercy and grace - Believing change is possible for others even when they cannot believe it themselves.

Continued Growth

With continued personal growth, we develop a change in our mindset, allowing us the capacity for gratitude. This gratitude compels us to *give* more than we *take*.

God Honoring

We do all things as if they are unto Him who made us. We are called to serve our highest purpose, treating others as children of God.

Self Awareness

One's lack of awareness of their own potential is a common misconception that keeps people from living a high impact life.
Our interaction with others leads to a public perception and we constantly work to recognize and improve this revelation.

"Create in me a pure heart, O God, and renew a steadfast spirit within me."

- Psalm 51:10

A Special Message from Our President and CEO:

Embracing Hope, Embracing Prosperity

As we reflect on the journey of **Christian Recovery Centers (CRCI)**, two words resonate within our hearts: ***Hope and Prosperity.*** Stepping through our doors, many individuals arrive burdened by the trials life has unleashed upon them. They are weary, shattered, and running on empty. Yet, amidst their struggles, they choose to take a new path, seeking something different. This perspective reveals to us that there are different levels of **Hope.**

Guided by the love and mercy of our Lord and Savior Jesus Christ, CRCI meets our residents on their level of **hope.** We stand firm and declare, "we can work with that." Witnessing the transformation that unfolds within them is nothing short of miraculous. What little glimmer of **hope** they bring with them blossoms over the course of months into something vibrant and whole. In this process, I have seen individuals embrace that **hope**, allowing it to flourish until it manifests as **prosperity**. It brings to mind the promise made to us in Philippians 1:6: **"Being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus."**

It is incredible to witness the rekindling of **hope** in the eyes of those who have battled addiction, despair, and brokenness. Their stories of triumph over adversity, the victories against personal demons, and their renewed sense of purpose have inspired us. Our center stands as a testament to the power of God's grace and the limitless potential residing within each individual.

Throughout this past year, **CRCI** has accomplished so much and has made the biggest impact we ever have on our mission of ***Saving Lives and Saving Souls***. To our dedicated staff, interns, volunteers, donors, and partners, I extend my thankfulness. Your support has made this year a landmark year for our organization.

As we start the new year, may it be filled with blessings, **renewed hope**, and boundless opportunities for growth and **prosperity**. With the help of God, let us continue making a difference in the lives of those we are privileged to serve.

With sincere appreciation and warmest wishes,

- **Josh Torbich**

INCREASE OF SERVICES

Christian Recovery Centers has significantly expanded its capacity over the past three years, growing from serving 14 residents in 2020 to accommodating 160 residents in 2023. This expansion has enabled us to offer life-changing services to more individuals and create additional opportunities for recovery. We are grateful for the community's trust and remain committed to providing compassionate care and proven programs. To meet the increasing demand, we have enhanced our facilities, added resources, and tailored our programs to meet the unique needs of each resident.

RESIDENTIAL RECOVERY PROGRAM:

5-7 month process through Motivational Track and Phases 1-3. The initial Motivational Track phase helps residents adjust to a structured schedule while allowing time for rest and healing. Subsequent phases focus on spiritual and emotional growth, with evaluations guiding progression and leadership.

BENEFITS:

Participants can earn college-level certifications, state licenses, formal degrees, or attend traditional college or seminary classes. Supportive housing, transportation, access to therapeutic services and counseling, and participation in the Workforce Redevelopment Program (WRP) are also provided.

PHASE 4/ RE-ENTRY PROGRAM:

The Phase 4 Re-entry Program facilitates a seamless transition from the intensive Christian Recovery Center program, offering up to 18 months of care. Residents learn to balance sobriety with productivity through peer role modeling, counseling, and a supportive recovery environment. Two pathways are available: the Social Enterprise Technician trade pathway for immediate employment opportunities within our enterprises, and the Leadership Development Initiative (LDI) career pathway for training future program leaders.

LEADERSHIP DEVELOPMENT INITIATIVE LDI:

Christian Recovery Centers offers a pathway mirroring a healthy recovery journey, providing real-world examples, practical experience, training, and resume-building opportunities. The WRP helps participants fill gaps in their employment history resulting from residential recovery, preparing them to become leaders in services that aided their recovery. Our goal is to assist residents in securing meaningful employment post-program.

THIS IS WHERE MY HEART IS

THIS IS A STORY OF A VOLUNTEER AND DONOR.

Being part of the ministry and service in the CRCI family has been and will continue to be one of the greatest privileges that your servant has ever had. CRCI is a program with a great purpose, and we firmly believe that for each of those who have been, are, and will be part of this program, God has a greater purpose than just recovery from any addiction. We believe that “God comforts us in our tribulations so that we can comfort others with the same comfort God has given us” (2 Cor. 1:3-4), and we desire with all our hearts that they “all become saved and come to the knowledge of the truth” (1 Tim. 2:4). That is the great purpose of God and is where our hearts are. This really is “Where my heart is.” This is our great purpose and our vision to proclaim through CRCI that God continues to change lives.

A few years ago, someone asked me a question (since I was wearing one of the t-shirts with the program's logo). That person asked me: "Are you one of those guys?" I kept thinking before answering, but in the end, I did it. I answered this way: “You know what... yes, I am. I’m one of those guys.” And since then, my heart is here! Dios es fiel hasta el final... (God is faithful until the end...)

-Your brother in Christ, P. Andro Yáñez.
